

**RENOVATIONS TO THE RESIDENCE OF THE HIGH COMMISSIONER FROM INDIA
BULLETIN NR 2: 10TH FEBRUARY 2020**

Ref	Query	Response
1	Regarding the Mechanical and Electrical Bills, there are certain items marked as 'take delivery and install', implying that provisions for the supply of such items are taken elsewhere. Please clarify.	In reviewing the Bills, no such items were identified. In any event, the tenderer is to allow for all the resource requirements for fully functional mechanical and electrical installations.
2	There is reference to US dollar prices in aspects of the Bills for the Mechanical and Electrical installations.	Notwithstanding anything to the contrary, all prices are to be in Trinidad and Tobago dollars.
3	Would a demolition plan be issued?	Yes.
4	For the purpose of executing the works, would there be vacant possession:	Yes.
5	Would the loose furnishings at the site be removed by others?	Yes.
6	Can further site visits be accommodated.	The site would be open to the tenderers on 11 th February at 11.00AM
7	When can an award of contract be expected to the successful tenderer?	<p>The Employer outlined the sequence of activities from the time of submitting the tenders right up to the award of the contract. This is a reiteration of that which is already included in the tender documents</p> <p>The Employer also advised that Bulletins and Addenda would be posted on their web site.</p> <p>The Employer advised that the tenderer should prepare a suitable covering letter with their tenders and they can obtain an endorsement of that letter from Mr. Dass or Mr. Bhaggan as evidence that they delivered a tender in the tender box.</p>
