**5th World Coffee Conference & Expo(WCC)-2023:
25th - 28th September, 2023; Bengaluru (Karnataka)**

The International Coffee Organization (ICO) is the main intergovernmental organization for coffee at global level. Around 75 coffee exporting and importing countries are members of ICO. Every four to five years, the International Coffee Organization holds a high-level World Coffee Conference to enable discussion around critical topics for the global coffee sector. The first four Conferences have taken place in England (2001), Brazil (2005), Guatemala (2010), and Ethiopia (2016).

The World Coffee Conference & Expo (WCC) arrives for the first time in Asia during September 2023. WCC 2023 will bring together leaders, decision-makers, coffee producing & importing nations, exporters, importers, leading coffee associations, global coffee experts, roasters and so on from more than 80 countries to discuss, debate and collaborate towards building a sustainable coffee industry, right from bean to cup.

For the 5th edition of the World Coffee Conference, India is the host country. Coffee Board, a statutory organization functioning under the Ministry of Commerce & Industry, Government of India; has been entrusted with the responsibility of making arrangements for hosting the 5th World Coffee Conference (WCC 2023).

The 5th World Coffee Conference (WCC 2023) will be held at the Bangalore Palace, Bengaluru; from 25th to 28th September 2023. Around 1500 registered delegates and 10,000 business visitors across the globe are expected to participate during the event. As part of this international Conference, the following important events have been planned—

- Technical Sessions,
- Buyer — Seller meet,
- Coffee Technology Expo,

**3rd - 5th
November, 2023**

New Delhi

2nd Edition of 'World Food India 2023'

3rd - 5th November, 2023

2nd edition of 'World Food India 2023' is being organized during 3-5 November 2023 in Pragati Maidan, New Delhi for facilitating partnership between Indian and foreign investors. Recognising the potential of food processing sector in transforming India as the food basket of the world, the Ministry of Food Processing Industries, Government of India has adopted measures to channelise investments in food processing subsegments. This includes backward linkages, food processing equipment, processing related R&D, cold chain storage solutions, start-ups, logistic & retail chains, encompassing the entire food processing value chain. With the objective of introducing the world to rich Indian food culture as well as promoting investments in the diverse food processing sector of the country, the Ministry of Food Processing Industries launched the first edition of World Food India in 2017. In view of celebrating 2023 as the International Year of Millets and to bring global food processing industry together, the Ministry of Food Processing Industries is organising the second edition 'World Food India 2023'.

World Food India 2023 is a promising platform to showcase, connect, collaborate in retail, processing, technology transfer, manufacturing and cold chain logistics along with global value food chain.

Considering the potential of the agriculture and food processing sector to transform India into the world's food basket, Ministry of Commerce and Industry is organizing a reverse Buyer Seller Meet during 'World Food India 2023'. The RBSM will be an opportunity for Indian exporters and international buyers to have B2B meetings for sourcing agriculture and processed food products from India and also discuss possible collaboration. Major emphasis shall be given on export promotion of Agricultural and Processed food products including Shree Anna (Millets), Marine, Spices, Tea, Coffee products.

We encourage all the French Buyers and Trade Associations to visit the 'World Food India 2023'. For further info about the event please visit the website <https://worldfoodindia.gov.in/abouts>

**INDIA STONEMART 2024 International Stone Industry Exhibition during
1st - 4th February, 2024 at Jaipur**

Centre for Development of Stones (CDOS) is an apex stone industry autonomous organization of Government of Rajasthan working with a mission to develop, promote and support dimensional stone and allied industry in India. With a view to promote trade in this sector, CDOS has been undertaking a variety of initiatives like international exhibitions in India, country pavilions in fairs abroad, buyer-seller meets, support to trade delegations, training programmes, testing of stones, Research and Development activities etc.

INDIA STONEMART is an international stone industry exhibition being organised biennially by Centre for Development of Stones (**CDOS**) along with Rajasthan State Industrial Development & Investment Corporation Ltd. (**RIICO**) since year 2000. Federation of Indian Chambers of Commerce & Industry (**FICCI**) is the co-organiser of the event.

Earlier editions of the event from the year 2000 to 2022 had substantial international participation. The exhibition which is spread over an area of around 45000 sq.mt. is one of the largest exhibition of Stone Industry in India and it is amongst one of the most sought after event in the context of international stone industry scenario.

CDOS is organizing the 12th edition of the show - *India Stonemart 2024 – at Jaipur Exhibition and Convention Centre, Sitapura, Jaipur during 1-4 February 2024.*

India is a leading producer of stones and witnessing phenomenal growth in all segments including construction, real estate and infrastructure sector. This in turn has given tremendous impetus to stone sector. Hence, there is immense potential for increasing bilateral stone trade between **France** and India.

Stone industry associations, construction and building industry associations etc. in **France** are invited to attend India Stonemart 2024. For India Stonemart 2024, CDOS is also planning to host
